2008 Corporate Sponsorship Opportunities

We believe that our community theater shows others that Milam County is about more than aluminum smelters and agriculture. We're also about arts and culture and high quality, locally-produced entertainment. We're a vital part of the community and we invite kids and families to join us on stage or in the audience.

Businesses and organizations all over Milam County support Milam Community Theater with a financial contribution* over and above the simple cost of tickets and membership. Won't you join them in your support?

All sponsors are recognized during the curtain speech prior to each show and in the playbill. Star and Super-Star sponsors are always mentioned by name.
